### 1. Please Please Me {E}

Last night I said these words to my girl  
I know you never even try girl  
Come on come on, Come on come on  
Please please me, oh yeh like I please you.

You don't need me to show the way love,  
Why do I always have to say love,  
Come on come on, Come on come on  
Please please me, oh yeh like I please you.

I don't want to sound complaining  
but you know there's always rain in my heart  
(in my heart)  
I do all the pleasing with you  
it's so hard to reason with you,  
Oh yeh, why do you make me blue

Last night I said these words to my girl  
I know you never even try girl  
Come on come on, Come on come on  
Please please me, oh yeh like I please you  
oh yeh like I please you  
oh yeh like I please you

### 2. I saw her standing there {E}

Well she was just seventeen  
and you know what I mean  
And the way she looked  
was way beyond compare  
So how could I dance with another  
When I saw her standing there  
Well she looked at me  
and I, I could see  
That before to long  
I'd fall in love with her  
She wouldn't dance with another  
when I saw her standing there

Well my heart went boom when I  
crossed that room  
and I held her hand in mine

Oh we danced through the night  
And we held each other tight  
And before too long  
I fell in love with her  
Now I'll never dance with another  
Since I saw her standing there

Sóló

Well my heart went.....  
Since I saw her standing there  
Since I saw her standing there

### 3. From me to you {C}

] : If there's anything that you want  
If there's anything I can do  
Just call on me, and I'll send it along  
With love from me to you

I've got everything that you want  
like a heart that's oh so true,  
Just call on me and I'll send it along  
with love from me to you

I've got arms that long to hold you  
and keep you by my side  
I got lips that long to kiss you  
and keep you satisfied :|

### 5. All my loving {E}

Close your eyes and I'll kiss you  
tomorrow I'll miss you  
Remember I'll always be true  
And then while I'm away  
I'll write home every day  
And I'll send all my loving to you

I'll pretend that I'm kissing  
the lips I am missing  
And hope that my dreams  
will come true  
And then while I'm away  
I'll write home every day  
And I'll send all my loving to you

All my loving, I will send to you  
All my loving, darling I'll be true

Close your eyes and I'll kiss you  
tomorrow I'll miss you  
Remember I'll always be true  
And then while I'm away  
I'll write home every day  
And I'll send all my loving to you

All my loving, I will send to you  
All my loving, darling I'll be true

## 6. Till There was You {F}

There were bells on a hill  
but I never heard them ringing  
No I never heard them at all  
till there was you

There were birds in the sky  
but I never saw them winging  
No I never saw them at all  
till there was you

Then there was music  
and wonderful roses  
They tell me in sweet fragrant  
meadows of dawn and dew

There was love all around  
but I never heard it singing  
No I never heard it at all  
till there was you

Sóló

Then there was music....

There was love ....

Till there was you

## 8. She Loves You {G}

She loves you, yeah, yeah, yeah  
She loves you, yeah, yeah, yeah  
She loves you, yeah, yeah, yeah, yeah

You think you lost your love  
well I saw her yesterday  
It's you she's thinking of  
and she told me what to say  
She says she loves you  
and you know that can't be bad  
Yes, she loves you  
and you know you should be glad ooo

She said you hurt her so  
she almost lost her mind.  
And now she says she knows  
you're not the hurting kind.  
She says she loves you  
and you know that can't be bad.  
Yes, she loves you  
and you know you should be glad ooo

She loves you, yeah, yeah, yeah  
She loves you, yeah, yeah, yeah  
And with a love like that  
you know you should be glad.

You know it's up to you  
I think it's only fair  
Pride can hurt you too  
apologize to her  
Because she loves you  
and you know that can't be bad.  
Yes, she loves you  
and you know you should be glad ooo

She loves you, yeah, yeah, yeah  
she loves you, yeah, yeah, yeah

And with a love like that  
you know you should be glad x3

## 9. I want to hold your hand {G}

Oh yeh I'll tell you something  
I think you'll understand  
Then I'll say that something  
I want to hold your hand  
I want to hold your hand  
I want to hold your hand

Oh please say to me  
you'll let me be your man  
And please say to me  
you'll let me hold your hand  
Now let me hold your hand  
I want to hold your hand

]:And when I touch you  
I feel happy inside  
It's such a feeling that my love  
I can't hide, I can't hide, I can't hide

Yeh you got that something  
I think you'll understand  
When I feel that something  
I want to hold your hand  
I want to hold your hand  
I want to hold your hand:]

I want to hold your hand

### 10. A hard days night {G}

It's been a hard days night  
and I've been working like a dog  
It's been a hard days night  
I should be sleeping like a log  
But when I get home to you  
I'll find the things that you do  
Will make me feel alright

You know I work all day  
to get you money to buy you things  
And it's worth it just to hear you say  
You're gonna give me everything  
So why I love to come home  
'cos when I get you alone  
you know I'll be okay

When I'm home  
everything seems to be right  
when I'm home  
feeling you holding me tight, tight yeah

It's been a hard days night  
and I've been working like a dog  
It's been a hard days night  
I should be sleeping like a log  
But when I get home to you  
I'll find the things that you do  
Will make me feel alright

Sóló

So why I love to come home.....  
When I'm home.....  
It's been a hard days night.....  
[:You know I feel alright:]

### 12. Can't buy me love {C}

Can't buy me love love  
Can't buy me love

I'll buy you a diamond ring my friend  
if it makes you feel alright  
I'll get you anything my friend  
if it makes you feel alright  
'cause I don't care to much for money  
for money can't buy me love

I'll give you all I've got to give  
if you say you love me to  
I may not have a lot to give  
but what I've got I'll give to you  
I don't care to much for money

for money can't buy me love

[:Can't buy me love,  
everybody tells me so  
Can't buy me love, no no no, no

Say you don't need no diamond ring  
and I'll be satisfied  
Tell me that you want  
those kind of things  
that money just cant buy  
For I don't care to much for money  
for money can't buy me love Sóló :|

Can't by me love, love,  
can't buy me love oh

### 13. Things We Said Today {Am}

You say you will love me  
if I have to go  
You'll be thinking of me,  
somehow I will know  
Someday when I'm lonely  
Wishing you weren't so far away  
Then I will remember  
things we said today

You say you'll be mine girl  
'til the end of time  
These days such a kind girl  
seems so hard to find  
Someday when we're dreaming  
deep in love not a lot to say  
Then we will remember  
things we said today

[:Me, I'm just the lucky kind,  
Love to hear you say that love is love  
And though we may be blind  
Love is here to stay and that's enaugh

to make you mine girl  
be the only one  
Love me all the time girl  
we'll go on and on  
Someday when we're dreaming  
deep in love not a lot to say  
Then we will remember  
things we said today:]

## 17. Help {A}

Help! I need somebody  
Help! not just anybody  
Help! you know I need someone!  
Help!

When I was younger  
so much younger than today  
I never needed anybody's  
help in any way  
But now these days are gone  
I'm not so self-assured  
Now I find I've changed my mind  
I've opened up the doors

Help me if you can I'm feeling down  
And I do appreciate you being round  
Help me get my feet back on the ground  
Won't you please please help me

And now my life has changed  
in oh so many ways  
My independence seems to  
vanish in the haze

But every now and then  
I feel so insecure  
I know that I just need you like  
I've never done before

Help me if you can I'm feeling down  
And I do appreciate you being round  
Help me get my feet back on the ground  
Won't you please please help me

When I was younger...

Help me help me ooh

## 18. You've got to hide your love away {G}

Here I stand, head in hand,  
turn my face to the wall  
If she's gone I can't go on,  
feeling two foot small

Everywhere people stare,  
each and every day  
I can hear them laugh at me,  
and I'll here them say

[:Hey you've got to hide your love away :]

How can I even try,  
I can never win  
hearing them, seeing them  
in the state I'm in  
How could she say to me,  
love will find a way  
gather round all you clowns  
let me hear you say

[:Hey you've got to hide your love away:]

Sóló

## 21. Yesterday {F}

Yesterday  
all my troubles seemed so far away  
now it looks as though they're here to stay  
oh I believe in yesterday

Suddenly  
I'm not half the man I used to be  
There's a shadow hanging over me  
Oh yesterday came suddenly

Why she had to go  
I don't know she wouldn't say  
I said something wrong  
now I long for yesterday

Yesterday  
love was such an easy game to play  
now I need a place to hide away  
Oh I believe in yesterday

Why she...

Yesterday, love was such...  
Mm mmmmmmmmm m m

### 25. In my life {A}

There are places I'll remember  
all my life though some have changed  
Some forever not for better  
some have gone and some remain  
All these places had their moments  
With lovers and friends I still can recall  
Some are dead and some are living  
In my life I loved them all

But of all these friends and lovers  
there is no one compares with you  
And these memories lose their meaning  
when I think of love as something new  
Though I know I'll never lose affection  
For people and things that went before  
I know I often stop and think about them  
In my life I love you more

Sóló

Though I know I'll never lose affection  
For people and things that went before  
I know I often stop and think about them  
In my life I love you more  
In my life I love you more

### 28. Yellow Submarine {G}

In the town where I was born  
Lived a man who sailed to sea  
And he told us of his life  
In the land of submarines

So we sailed up to the sun  
Till we found the sea of green  
And we lived beneath the waves  
In our yellow submarine

[:We all live in our yellow submarine,  
Yellow submarine, yellow submarine:]

And our friends are all on board  
Many more of them live next door  
And the band begins to play  
Sóló

We all live ....

And we live a life of ease  
Everyone of us has all we need  
Sky of blue and sea of green  
In our yellow submarine.

We all live ..... x 4

### 33. When I'm Sixty-Four {C}

When I get older losing my hair  
many years from now  
Will you still be sending me a valentine  
Birthday greetings bottle of wine

If I'd been out till quarter to three  
would you lock the door  
Will you still need me  
will you still feed me  
When I'm sixty-four

Ohhh,  
You'll be older too  
and if you say the word  
I could stay with you

I could be handy mending a fuse  
when your lights have gone  
You can knit a sweater by the fireside  
Sunday mornings go for a ride

Doing the garden digging the weeds  
Who could ask for more  
Will you still need me  
will you still feed me  
When I'm sixty-four

Every summer we can rent a cottage  
in the Isle of Wight  
if it's not too dear  
we shall scrimp and save  
Grandchildren on your knee  
Vera, Chuck & Dave

Send me a postcard drop me a line  
stating point of view  
Indicate precisely  
what you mean to say  
Yours sincerely, wasting away

Give me your answer fill in a form  
mine for evermore  
Will you still need me  
will you still feed me  
When I'm sixty-four

### 34. The fool on the hill {D}

Day after day, alone on the hill  
The man with the foolish grin  
is keeping perfectly still

But nobody wants to know him  
they can see that he's just a fool  
And he never gives an answer

But the fool on the hill  
sees the sun going down  
And the eyes in his head  
see the world spinning round

Well on the way, head in a cloud  
The man of a thousand voices  
talking perfectly loud  
But nobody ever hears him  
or the sound he appears to make  
And he never seems to notice

But the fool on the hill...

Sóló...

And nobody seems to like him  
they can tell what he wants to do  
And he never shows his feelings

But the fool on the hill...

Sóló...

He never listens to them  
he knows that they're the fools  
They don't like him

the fool on the hill...

### 36. Penny Lane {A}

In Penny Lane  
there is a barber  
showing photographs  
of every head  
he's had the pleasure  
to know  
and all the people  
that come and go  
stop and say hello

On the corner  
is a banker with a motorcar  
The little children laugh at him  
behind his back  
And then the banker  
never wears a mac  
in the pouring rain  
very strange

Penny Lane is in my ears  
and in my eyes  
Wet beneath the blue  
suburban skies  
I sit and mean while back

In Penny Lane  
there is a fireman with an hourglass  
and in his pocket is a portrait of the Queen  
He likes to keep his fire engine clean  
it's a clean machine

Sóló

Penny Lane  
is in my ears and in my eyes  
full of fish and finger pies  
in summer  
mean while back

Behind the shelter  
in the middle of the round about  
the pritty nurse is selling poppies  
from a tray  
And tho' she feels as if she's in a play,  
she is anyway

In Penny Lane  
the barber shaves another customer  
we see the banker  
sitting waiting for a trim  
And then the fireman rushes in  
from the pouring rain, very strange

Penny Lane is in my ears  
and in my eyes  
There beneath the blue  
suburban skies  
I sit and mean while back

Penny Lane is in my ears  
and in my eyes  
There beneath the blue  
suburban skies

All your life, you were only waiting  
for this moment to arise.

Blackbird singing in the dead of night  
Take these sunken eyes and learn to see  
All your life, you were only waiting  
for this moment to be free.

Blackbird fly, blackbird fly  
Into the light of the dark black night.

Blackbird fly, blackbird fly

Something in the way she moves  
attracts me like no other lover  
Something in the way she woos me  
I don't want to leave her now  
you know I believe and how

Somewhere in her smile she knows  
that I don't need no other lover  
Something in her style that shows me  
I don't want to leave her now

Can I take you out to the pictures Joao  
But as she's getting ready to go

came down upon her head  
Bang! bang! Maxwells silver hammer

he creeps up from behind

When I find myself in times of trouble  
Mother Mary comes to me  
Speaking words of wisdom, let it be  
And in my hour of darkness  
she is standing right in front of me  
Speaking words of wisdom let it be

Let it be, let it be, let it be, let it be  
Whisper words of wisdom, let it be

And when the broken hearted people  
living in the world agree  
There will be an answer, let it be

For though they may be parted  
there is still a chance that they will see  
There will be an answer, let it be

Let it be, let it be, let it be, let it be  
There will be an answer, let it be  
Let it be, let it be, let it be, let it be  
Whisper words of wisdom, let it be

there is still a light that shines on me  
Shine untill tomorrow let it be

Speaking words of wisdom, let it be

Hey Jude, don't make it bad  
Take a sad song

and make it better  
Remember to let her into your heart  
Then you can start to make it better

Hey Jude, don't be afraid,  
You were made to  
go out and get her  
The minute you let her under your skin  
Then you begin to make it better

And any time you feel the pain  
hey Jude refrain,  
don't carry the world upon your sholder  
For well you know that it's a fool
