1. Please Please Me {E}

Last night I said these words to my girl
I know you never even try girl
Come on come on, Come on come on
Please please me, oh yeh
like I please you.

You don't need me to
show the way love,
Why do I always have to say love,
Come on come on, Come on come on
Please please me, oh yeh
like I please you.

I don't want to sound complaining
but you know there's always rain
in my heart (in my heart)
I do all the pleasing with you
it's so hard to reason with you,
Oh yeh, why do you make me blue

Last night I said these words to my girl
I know you never even try girl
Come on come on, Come on come on
Please please me, oh yeh like I please you
oh yeh like I please you
oh yeh like I please you

2. I saw her standing there {E}

Well she was just seventeen
and you know what I mean
And the way she looked
was way beyond compare
So how could I dance with another
When I saw her standing there

Well she looked at me
and I, I could see
That before too long
I'd fall in love with her
She wouldn't dance with another
when I saw her standing there

Well my heart went boom when I
crossed that room
and I held her hand in mine

Oh we danced through the night
And we held each other tight
And before too long
I fell in love with her
Now I'll never dance with another
Since I saw her standing there

Sóló

Well my heart went.....
Since I saw her standing there
Since I saw her standing there

3. From me to you {C}

|: If there's anything that you want
If there's anything I can do
Just call on me, and I'll send it along
With love from me to you

I've got everything that you want
like a heart that's oh so true,
Just call on me and I'll send it along
with love from me to you

I've got arms that long to hold you
and keep you by my side
I got lips that long to kiss you
and keep you satisfied :|

4. All my loving {E}

Close your eyes and I'll kiss you
tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

I'll pretend that I'm kissing
the lips I am missing

And hope that my dreams
will come true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

All my loving, I will send to you
All my loving, darling I'll be true

Close your eyes and I'll kiss you
tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

All my loving, I will send to you
All my loving, darling I'll be true

5. Till There was You {F}

There were bells on a hill
but I never heard them ringing
No I never heard them at all
till there was you

There were birds in the sky
but I never saw them winging
No I never saw them at all
till there was you

Then there was music
and wonderful roses
They tell me in sweet fragrant
meadows of dawn and dew

There was love all around
but I never heard it singing
No I never heard it at all
till there was you

Sóló

Then there was music....

There was love

Till there was you

6. She Loves You {G}

She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah,
yeah

You think you lost your love
well I saw her yesterday
It's you she's thinking of
and she told me what to say
She says she loves you
and you know that can't be bad
Yes, she loves you
and you know you should be glad
ooo

She said you hurt her so
she almost lost her mind.
And now she says she knows
you're not the hurting kind.
She says she loves you
and you know that can't be bad.
Yes, she loves you
and you know you should be glad
ooo

She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah
And with a love like that
you know you should be glad.

You know it's up to you
I think it's only fair
Pride can hurt you too
apologize to her
Because she loves you

and you know that can't be bad.
Yes, she loves you
and you know you should be glad
ooo

She loves you, yeah, yeah, yeah
she loves you, yeah, yeah, yeah

And with a love like that
you know you should be glad x3

7. I want to hold your hand {G}

Oh yeh I'll tell you something
I think you'll understand
Then I'll say that something
I want to hold your hand
I want to hold your hand
I want to hold your hand

Oh please say to me
you'll let me be your man
And please say to me
you'll let me hold your hand
Now let me hold your hand
I want to hold your hand

|:And when I touch you
I feel happy inside
It's such a feeling that my love
I can't hide, I can't hide, I can't hide

Yeh you got that something
I think you'll understand
When I feel that something
I want to hold your hand
I want to hold your hand
I want to hold your hand:|

I want to hold your hand

8. A hard days night {G}

It's been a hard days night

and I've been working like a dog
It's been a hard days night
I should be sleeping like a log
But when I get home to you
I'll find the things that you do
Will make me feel alright

You know I work all day
to get you money to buy you things
And it's worth it just to hear you say
You're gonna give me everything
So why I love to come home
'cos when I get you alone
you know I'll be okay

When I'm home
everything seems to be right
when I'm home
feeling you holding me tight, tight
yeah

It's been a hard days night
and I've been working like a dog
It's been a hard days night
I should be sleeping like a log
But when I get home to you
I'll find the things that you do
Will make me feel alright

Sóló

So why I love to come home.....

When I'm home.....

It's been a hard days night.....

|:You know I feel alright:|

9. Can't buy me love {C}

Can't buy me love love
Can't buy me love

I'll buy you a diamond ring
my friend

if it makes you feel alright
I'll get you anything my friend
if it makes you feel alright
'cause I don't care too
much for money
for money can't buy me love

I'll give you all I've got to give
if you say you love me to
I may not have a lot to give
but what I've got I'll give to you
I don't care too much for money
for money can't buy me love

|:Can't buy me love,
everybody tells me so
Can't buy me love, no no no, no

Say you don't need no diamond ring
and I'll be satisfied
Tell me that you want
those kind of things
that money just can't buy
For I don't care too much for money
for money can't buy me love Sóló :|

Can't buy me love, love,
can't buy me love oh

10. Things We Said Today {Am}

You say you will love me
if I have to go
You'll be thinking of me,
somehow I will know
Someday when I'm lonely
Wishing you weren't so far away
Then I will remember
things we said today

You say you'll be mine girl
'til the end of time
These days such a kind girl
seems so hard to find

Someday when we're dreaming
deep in love not a lot to say
Then we will remember
things we said today

|:Me, I'm just the lucky kind,
Love to hear you say that love is
love
And though we may be blind
Love is here to stay and that's
enough

to make you mine girl
be the only one
Love me all the time girl
we'll go on and on
Someday when we're dreaming
deep in love not a lot to say
Then we will remember
things we said today: |

11. Help {A}

Help! I need somebody
Help! not just anybody
Help! you know I need someone!
Help!

When I was younger
so much younger than today
I never needed anybody's
help in any way
But now these days are gone
I'm not so self-assured
Now I find I've changed my mind
I've opened up the doors

Help me if you can I'm feeling down
And I do appreciate you being around
Help me get my feet back on the
ground
Won't you please please help me

And now my life has changed
in oh so many ways
My independence seems to
vanish in the haze

But every now and then
I feel so insecure
I know that I just need you like
I've never done before

Help me if you can I'm feeling down
And I do appreciate you being round
Help me get my feet back on the
ground
Won't you please please help me

When I was younger...

Help me help me ooh

12. You've got to hide your love away {G}

Here I stand, head in hand,
turn my face to the wall
If she's gone I can't go on,
feeling two foot small

Everywhere people stare,
each and every day
I can hear them laugh at me,
and I'll hear them say

|:Hey you've got to hide your love
away :|

How can I even try,
I can never win
hearing them, seeing them
in the state I'm in
How could she say to me,
love will find a way
gather round all you clowns

let me hear you say

|:Hey you've got to hide your love
away:|

Sóló

13. Yesterday {F}

Yesterday
all my troubles seemed so far away
now it looks as though
they're here to stay
oh I believe in yesterday

Suddenly
I'm not half the man I used to be
There's a shadow hanging over me
Oh yesterday came suddenly

Why she had to go
I don't know she wouldn't say
I said something wrong
now I long for yesterday

Yesterday
love was such an easy game to play
now I need a place to hide away
Oh I believe in yesterday

Why she...

Yesterday, love was such...
Mm mmmmmmmm m m

Isn't he a bit like you and me

Nowhere man please listen
you don't know what you're missing
Nowhere man the world is at your
command

Sóló

He's as blind as he can be

I know that you'll understand,

17. In my life {A}

There are places I'll remember
all my life
though some have changed
Some forever not for better
some have gone and some remain
All these places had their moments
With lovers and friends
I still can recall
Some are dead and some are living
In my life I loved them all

But of all these friends and lovers
there is no one compares with you
And these memories
lose their meaning
when I think of love
as something new
Though I know I'll never
lose affection
For people and things
that went before
I know I often stop
and think about them
In my life I love you more

Sóló

Though I know I'll never
lose affection
For people and things
that went before
I know I often stop
and think about them

In my life I love you more
In my life I love you more

18. Yellow Submarine {G}

In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of submarines

So we sailed up to the sun
Till we found the sea of green
And we lived beneath the waves
In our yellow submarine

|:We all live in a yellow submarine,
yellow submarine, yellow
submarine:|

And our friends are all on board
Many more of them live next door
And the band begins to play
Sóló

We all live

Stopp – Kall talar

And we live a life of ease
Everyone of us
has all we need
Sky of blue
and sea of green
In our yellow submarine.

We all live x 4

19. When I'm Sixty-Four {C}

When I get older losing my hair
many years from now
Will you still be sending me
a valentine
Birthday greetings bottle of wine

If I'd been out till quarter to three
would you lock the door
Will you still need me
will you still feed me
When I'm sixty-four

Ohhh,
You'll be older too
and if you say the word
I could stay with you

I could be handy mending a fuse
when your lights have gone
You can knit a sweater
by the fireside
Sunday mornings go for a ride

Doing the garden digging the weeds
Who could ask for more
Will you still need me
will you still feed me
When I'm sixty-four

Every summer we can rent a cottage
in the Isle of Wight
if it's not too dear
we shall scrimp and save
Grandchildren on your knee
Vera, Chuck & Dave

Send me a postcard drop me a line
stating point of view
Indicate precisely
what you mean to say
Yours sincerely, wasting away

Give me your answer fill in a form
mine for evermore
Will you still need me
will you still feed me
When I'm sixty-four

20. The fool on the hill {D}

Day after day, alone on the hill
The man with the foolish grin
is keeping perfectly still
But nobody wants to know him
they can see that he's just a fool
And he never gives an answer

But the fool on the hill
sees the sun going down
And the eyes in his head
see the world spinning round

Well on the way, head in a cloud
The man of a thousand voices
talking perfectly loud
But nobody ever hears him
or the sound he appears to make
And he never seems to notice

But the fool on the hill...

Sóló...

And nobody seems to like him
they can tell what he wants to do
And he never shows his feelings

But the fool on the hill...

Sóló...

He never listens to them
he knows that they're the fools
They don't like him

the fool on the hill...

21. Penny Lane {A}

In Penny Lane there's a barber
showing photographs
of every head he's had the pleasure
to know

and all the people that come and go
stop and say hello

On the corner is a banker
with a motorcar
The little children laugh at him
behind his back
And then the banker
never wears a mac
in the pouring rain
very strange

Penny Lane is in my ears
and in my eyes
Wet beneath the blue
suburban skies
I sit and meanwhile back

In Penny Lane
there is a fireman with an hourglass
and in his pocket
is a portrait of the Queen
He likes to keep his fire engine clean
it's a clean machine

Sóló

Penny Lane
is in my ears and in my eyes
full of fish and finger pies
in summer
mean while back

Behind the shelter
in the middle of the roundabout
the pretty nurse is selling poppies
from a tray
And tho' she feels as if she's in a play,
she is anyway

In Penny Lane
the barber shaves another customer
we see the banker

sitting waiting for a trim
And then the fireman rushes in
from the pouring rain, very strange

Penny Lane is in my ears
and in my eyes
There beneath the blue
suburban skies
I sit and meanwhile back

Penny Lane is in my ears
and in my eyes
There beneath the blue
suburban skies
Penny Lane

23. Blackbird {G}

Blackbird singing in the dead of night
Take these broken wings
and learn to fly
All your life, you were only waiting
for this moment to arise.

Blackbird singing in the dead of night
Take these sunken eyes
and learn to see
All your life, you were only waiting
for this moment to be free.

Blackbird fly, blackbird fly
Into the light of the dark black night.

Sóló

Blackbird fly, blackbird fly
Into the light of the dark black night.

Stopp

Blackbird singing in the dead of night
Take these broken wings
and learn to fly
All your life, you were only waiting
for this moment to arise
You were only waiting
for this moment to arise
You were only waiting
for this moment to arise

24. Something {C}

Something in the way she moves
attracts me like no other lover
Something in the way she woos me
I don't want to leave her now
you know I believe and how

Somewhere in her smile she knows
that I don't need no other lover
Something in her style that shows me
I don't want to leave her now
you know I believe and how

You're asking me will my love grow
I don't know I don't know
You stick around now it may show
I don't know I don't know

Sóló

Something in the way she knows
and all I have to do is think of her
Something in the things she shows me
I don't want to leave her now,
you know I believe and how

25. Let it be {C}

When I find myself
in times of trouble
Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness
she is standing right in front of me
Speaking words of wisdom let it be

Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

And when the broken hearted people
living in the world agree
There will be an answer, let it be

For though they may be parted
there is still a chance that they will see
There will be an answer, let it be

Let it be, let it be, let it be, let it be
There will be an answer, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

Sóló

Let it be, let it be, let it be, let it be
There will be an answer, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

And when the night is cloudy
there is still a light that shines on me
Shine untill tomorrow let it be

I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be
There will be an answer let it be

Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

26. Don't let me down {E}

|:Don't let me down

like she does
Ooh she does, yes she does
And if somebody love me
like she do me
Oh she do me, yes she does

|:Don't let me down
Don't let me down:|

I'm in love for the first time
don't you know it's gonna last
It's a love that lasts forever
it's a love that has no past

And from the first time
that she really done me
Ooh she done me

27. Hey Jude {F}

Hey Jude, don't make it bad
Take a sad song
and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid,
You were made to
go out and get her
The minute you let her
under your skin
Then you begin to make it better

And any time you feel the pain
hey Jude refrain,
don't carry the world
upon your sholder
For well you know that it's a fool
who plays it cool
by making his world a little colder
Da da da da da da da da da

Hey Jude don't let me down,
You have found her,
now go and get her

Remember to let her into your heart
Then you can start to make it better

So let it out and let it in
hey Jude begin,
you're waiting for someone
to perform with
And don't you know that it's just you
hey Jude you'll do
the movement you need
is on your sholder
da da da da da da da da da yeah

Hey Jude, don't make it bad,
take a sad song
and make it better
Remember to let her under your skin
Then you'll begin to make it better
better better better better better oh

Na na na na na na na, na na na na,
hey Jude

La la la la la la la, la la la la,
hey Jude

Da da da da da da da, da da da da,
hey Jude
